# WHY ELECTRICAL SUPPLY CORP?

Electrical Supply Corp (ESC) are market leaders in a wide range of products for tradesmen. ESC's market focus is primarily based around servicing and supporting electrical and plumbing wholesalers that extends support through selected OEMs, auto-electrical wholesalers and specific industrial companies.

Located in Te Rapa, Hamilton, ESC is in a central location, which makes it possible to offer nationwide overnight\* deliveries.

The administration and main distribution centre, are incorporated in a purpose built 7,600 square meters warehouse that provides room to handle its ever expanding portfolio.

Electrical Supply Corp employs over 40 full time and part time staff, comprising of business development managers, product technical specialists and wholesale representatives located regionally throughout New Zealand to best service their customers network.

*Disclaimer of liability: Whilst we endeavor to keep the information up to date and correct, ESC makes no representations or warranties of any kind, express or implied about the completeness, accuracy, reliability, suitability or availability with respect to the catalogue or the information, products, services or related graphics contained in the catalogue for any purpose. Any reliance you place on such material is therefore strictly at your own risk.*

*\*Some limitations apply for overnight delivery*
