

LED TECHNOLOGY

- Long life LED, up to 100,000 hours
- Energy saving
- No maintenance

EXTENSIVE RANGE

- Spitfire[®] recessed
- Spitfire Surface
- Exit slide connect
- Exit wall/ceiling mount
- Batten
- Flood
- Bulkhead

LITHIUM IRON PHOSPHATE BATTERY

- High performance
- Safest and most reliable battery technology
- Environmentally friendly

COMPLIANCE TO AS/NZS 2293

3 or 5 YEAR WARRANTY

- Complete warranty for all products including batteries

Industry leading LED technology and lithium ion phosphate battery will ensure customers have access to technically superior products and fully compliant to the AS/NZS 2293 standard.

Economy range: The most cost effective and reliable fittings on the market to perform the six monthly mandatory testing of emergency lighting.

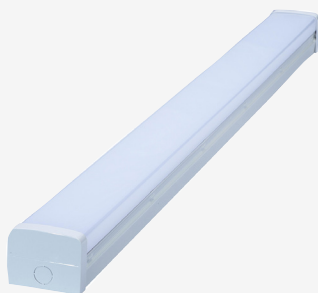

Spitfire Recessed

- 3 year warranty
- Lithium iron phosphate battery
- Flex and plugs included
- 100,000 hours LEDs
- D40 photometric classification
- White adaptors included to convert standard 94mm lamp head to 145mm diameter

Description	Order Code
Spitfire Recessed	ECOSPITFIRE

Batten

- 3 year warranty
- AC / EM version
- Lithium iron phosphate battery
- 50,000 hour LEDs
- 3,800 Lumens output on AC
- IK06 impact rating
- 635 Lumens on emergency
- Insect proof sealed LED module
- Lanyard attached to the lamp and base body for easy installation

Description	Order Code
Batten	ECOBAT4AC
	ECOBAT4EM

Exit Slide Connect

- 3 year warranty
- Lithium iron phosphate battery
- 75,000 hour LEDs
- Universal wall / ceiling mounting, can also be rod or wire suspended
- One box solution - includes diffuser and pictograph for single/double sided installation

Description	Order Code
Exit Slide Connect	ECOEXIT1BOX

Exit Wall Mount

- 3 year warranty
- Lithium iron phosphate battery
- 75,000 hour LEDs
- One box solution - includes diffuser and pictograph for single sided installation

Description	Order Code
Exit Wall Mount	ECOEXITWALL

Exit Ceiling Mount

- 3 year warranty
- Lithium iron phosphate battery
- 75,000 hour LEDs
- One box solution - includes diffuser and pictograph for single/double sided installation

Description	Order Code
Exit Ceiling Mount	ECOEXITCEILING

Exit Base & Diffusers

- 3 year warranty

Base

- Lithium iron phosphate battery
- 75,000 hour LEDs

Diffusers

- Includes pictograph for single/double sided installation

Description	Order Code
Exit Base	ECOEXITBASE
Diffuser Wall Mounted	ECOEXITDIFWM
Diffuser Ceiling Mounted	ECOEXITDIFCM

ECO LED Flood Light

- 3 year warranty
- 100,000 hour LED's
- Lithium iron phosphate battery for longer life
- Output on emergency, 474 Lumens
- Beam angle 120° flood
- Lamp heads can be rotated and tilted to suit particular installation requirements
- Polycarbonate enclosure

Description	Order Code
ECO LED Flood Light	ECOFLOOD

LED Economy Spitfire Surface Non-Maintained

- 3 year warranty
- 100,000 hour LED's
- Low power consumption
- Lithium iron phosphate battery
- Surface mount
- Non-maintained operation
- Ingress protection IP54

Description	Order Code
LED Economy Spitfire Surface Non-Maintained White	ECOSPITFIREBOX

LED Economy Spitfire Surface Non-Maintained Black

- 3 year warranty
- 100,000 hour LED's
- Low power consumption
- Lithium iron phosphate battery
- Surface mount
- Non-maintained operation
- Ingress protection IP54

Description	Order Code
LED Economy Spitfire Surface Non-Maintained Black	ECOSPITFIREBOX-BLK

FOS LIGHTING

**BE SAFE.
BE BRIGHT.**

Helios Li

- 3 year warranty
- Ingress Protection IP65
- 30,000 hour LED's
- Lithium iron Phosphate Battery (LiFePO4)
- Complys with AS/NZ 2293
- Wall / Surface Mount
- Beam Angle 120°

Description	Order Code
IP65 Non Maintained Emergency Twin Flood Unit	FL26LIWP

Kratos

- 5 year warranty
- Ingress Protection IP65
- LED technology 36,000 hours lamp life
- Lithium iron Phosphate Battery (LiFePO4)
- Comply with AS/NZ 2293
- Wall / Ceiling Surface Mount

Description	Order Code
IP65 Emergency Bulkhead	KHC25WP
