

KRATOS

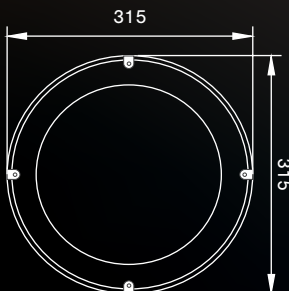

CIRCULAR BULKHEAD

25W ▪ HF Sensor ▪ 4000K ▪ LED ▪ IP65

An IP65 and IK10 rated luminaire that comes with integral HF sensor, that is ideal for applications such as corridors, carparks, stairwells and walk ways. An IES file is available for design specification.

- Sleek circular bulkhead design
- Surface mount
- Lightweight design for quick and easy installation
- Ideal for corridors, carparks, stairwells, and walk ways
- IP65 and IK10 rated

GENERAL

Voltage	220-240VAC, 50/60Hz
Wattage	25W
PF	>0.9
LED Driver Output(V)	DC36V
LED Driver Output(mA)	600mA Max
Light Source	SMD2835 LED chips
CCT / CRI	4000K / Ra>80
Lifespan	60,000 hours
Luminous Flux	3000lm
Luminous Efficacy	120Lm/W
View Angle	120°

STRUCTURE

Housing Material	Die cast aluminium base + PC diffuser
Mounting Type	Surface Mount
Operating Temp(°C)	-10°C - 45°C
IK Rating	IK10
IP Rating	IP65
Unit Dimensions	315 x 315 x 100mm

IP65
