IP65 AC Circular Bulkhead

The Kratos AC is IP65 and IK10 rated luminaire that comes with integral HF sensor, that is ideal for applications such as corridors, carparks, stairwells and walk ways. An IES file is available for design specification.

Code	Power	Delivered Lumens	Body Colour	Cutout mm	Dimensions mm	Weight kg
KHC25ACWP	25W	2600	White	N/A	∅315 x 100	2.2

Physical Features

IP Rating:	IP65
IK Rating:	IK10
Sensor High Frequency:	Adjustable to 10m
Detection Area:	Adjustable to 10m
Body:	Diecast aluminium, white
Diffuser:	Polycarbonate
Dimensions:	∅315 x 100
Installation:	Surface
Operating Temperature:	-10°C - 40°C
Operation:	Maintained/Non-Maintained

Light Quality

CCT:	4000K
CRI:	> 80
Lifetime:	60,000 hrs
Power Supply:	AC200-240V, 50/60Hz
Power Factor:	(PF>0.9)
