

IP65 Emergency Bulkhead

The Kratos is IP65 and IK10 rated luminaire that comes with integral HF sensor, that is ideal for applications such as corridors, carparks, stairwells and walk ways. The Kratos is tested to comply with AS/NZS 2293 and relevant EMC standards. An IES file is available for design specification.

Code	Power	Delivered Lumens	Body Colour	Cutout mm	Dimensions mm	Weight kg
KHC25WP	25W	2600 (AC) 317(EM)	White	N/A	ø315 x 100	2.2

Physical Features

IP Rating:	IP65
IK Rating:	IK10
Sensor High Frequency:	Adjustable to 10m
Detection Area:	Adjustable to 10m
Body:	Diecast aluminium, white
Diffuser:	Polycarbonate
Dimensions:	ø315 x 100
Installation:	Surface
Operating Temperature:	-10°C - 40°C
Operation:	Maintained/Non-Maintained

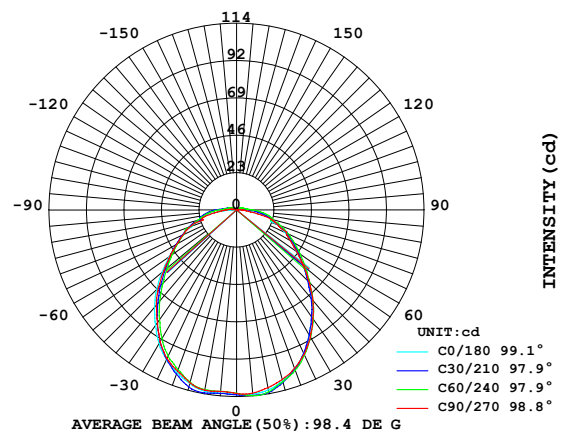

Light Quality

CCT:	4000K
CRI:	> 80
Lifetime:	60,000 hrs
Power Supply:	AC200-240V, 50/60Hz
Power Factor:	(PF>0.9)

Battery Specifications

Battery:	Lithium Iron Phosphate (LiFePO4)
Voltage/Ah:	9.6V / 1.5Ah Rechargeable
Charge Time:	12 hrs
Charging Method:	Intelligent Current Limited Constant Voltage
